FIG. 2

FIG. 2A

3/5

This is **Tom Jones** returning your call. I have reviewed the contract that you emailed and recommend the following changes. First, the exhibits that are referenced in the body of the agreement need to be assembled. Second, the warranty section needs to be revised to include a disclaimer for consequential damages. Third, the payment terms should be net 30 and not net 60. Once these changes are made, please send execution copies of the agreement with
